

COVID-19 Statement from PACLE

To mitigate the spread of COVID-19 and in accordance with guidance from state and national governmental authorities, the PA CLE Board office is currently closed. Staff members are working remotely to answer emails and process incoming workflow. We are committed to maintaining accurate and timely records for CLE compliance tracking. The PA CLE Board provides the following information regarding the impact of coronavirus on CLE operations:

- The April 30, 2020 compliance deadline for completing CLE requirements has been extended until August 31, 2020. More information [here](#).
- PA CLE Rules provide the option for up to six (6) credits per compliance period to be earned via distance learning. A listing of approved distance learning programs may be reviewed [here](#).
- If you do owe a late fee for non-compliance, we encourage you to use the secure payment feature available through your [MyPacle](#) account. This payment method provides a secure and more immediate fee resolution than mailing a check.
- Still have a question? Please send us an email at pacleb@pacle.org. A member of our staff will be happy to assist.

The CLE Board will continue to monitor the impact of the coronavirus and update this page with news and announcements. In the meantime, you can learn more about mitigating the spread of the virus at health.pa.gov.
